Pretzel-Rolo Treats

A small, sweet-and-salty extra

MAKES

36 treats

TIME

10 min active + 3-5 min bake + setting

TOOLS

Rimmed tray; parchment

BAKER'S NOTE

Use intact pretzels so the softened candy stays supported.

Ingredients

36 small square pretzels
36 Rolo chocolate caramels, unwrapped
36 red or green M&M; candies

How to Make It

1. Heat oven to 250°F. Arrange pretzels on parchment and top each with a Rolo.
2. Bake 3-5 minutes, checking early; the caramels should soften without collapsing.
3. Gently press one M&M; into each. Leave undisturbed until the chocolate is fully firm, about 1 hour in a cool room.

Serving & Storage

Keep airtight in a cool room up to 5 days. Avoid warm delivery conditions. Freezing can affect the chocolate finish.
